Engineered Rigging Announces Equipment Showcase Dates

VALPARAISO, IND., April 16, 2025 — Engineered Rigging, a leader in heavy lifting, will host its annual Heavy Lifting Equipment Showcase on June 10-12 at its Equipment Depot & Service Center in Russellville, AR. The event provides attendees with an opportunity to see heavy lifting and specialized transport technologies at work. Experience product demonstrations from a variety of manufacturers such as Enerpac, Holmatro, Fassi, Jekko, Goldhofer and more.

This year's Equipment Showcase will feature equipment demonstrations of:

- Just arrived: Enerpac JS250 Jack-Up System
- Holmatro Dynamic Testing Equipment for Preventive Maintenance
- Hydraulic Gantries
- Strand Jack Systems
- Innovative Skidding and Trolley Systems
- Split flow and Synchronous Hydraulic Pumps
- Ring Climbing and Cube Jacks
- Knuckle Boom & Spider Cranes

The program runs daily from 7:00 a.m. until 2:00 p.m. CDT. Registration is free for industry professionals, vocational and engineering students and members of the press, and attendees are invited to select a day to participate (Tuesday, Wednesday or Thursday). The online registration form and additional details are available at <https://engineeredrigginggroup.com/equipment-showcase/>.

Open House for the Public

Local community members are invited to tour the facility and see equipment demonstrations on Thursday, June 12 from 2:00-5:00 p.m. CDT. Please note that hard hats and visibility vests will be provided and must be worn in all designated areas for safety.

About Engineered Rigging

Engineered Rigging provides pioneering heavy lifting solutions around the globe. With decades of hands-on experience and unparalleled technical expertise, we don't just lift heavy objects, we conquer the world's most intricate lifting challenges and machinery moves for a variety of diverse industries. Engineered Rigging empowers our customers by providing equipment bare rental, sales, and service; cutting-edge engineering services; bespoke custom solutions; and unwavering technical support.
